REFERENCE: OCTOBER QUARTERLY REPORT (08/03/2014 - 09/30/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Debt payments for this period (disclosed on Schedule D) are greater than the payments itemized on Schedule B. Each expenditure to a person, which in the aggregate exceeds \$200 for the election cycle, must be reported on Schedule B. "Person" includes an individual, partnership, corporation, association, and public or private organization -- other than an agency of the United States Government. Please amend your report to correct the discrepancies in the payments made to Kim Leija. (11 CFR §§ 104.3(b)(4)(i) and 100.10)

2. Schedule D of your report discloses debts to Red Print Strategy with the notation "The total debt disputed to Red Print Strategy has been settled and agreed upon for the amount of \$100,000.00. Adjustment made to reflect negotiated balance due." If the committee and the creditor are in dispute over the balance of the debt, the committee must establish the debt as disputed on Schedule D. The committee must disclose any payments paid to the creditor, any amount the committee admits it owed, and the amount the creditor states that the committee owes. The committee may also note that the disclosure of the disputed debt does not constitute an admission of liability or waiver of any claims the committee may have against the creditor.

When a disputed debt is settled, the committee must provide a statement explaining the circumstances and conditions under which the debt is
